Dear Parents and Guardians,

We are about to start the process of selecting students from Sorrento Primary School to participate in the Sorrento/Tootgarook Primary Schools Ski Camp.

At this stage it is likely that the proposed camp will be held in the last week of July 2015, at Mt Buller. The exact date will be confirmed once numbers are definite.

**Itinerary:**
- **Sunday:** Morning departure from Tootgarook PS. Arrive Mount Buller, collect ski hire equipment and participate in a Ski School safety lesson
- **Monday:** Skiing lessons and skiing through the day
- **Tuesday:** Skiing lessons and skiing through the day, night skiing
- **Wednesday:** Skiing lessons and skiing through the day, night skiing
- **Thursday:** Skiing lessons and skiing through the day
- **Friday:** Skiing through the day, pack up, depart for home. Arrive at Tootgarook PS; 6.00 - 7.00 pm

We have the opportunity to provide 20 places for Sorrento PS students to attend the camp. Students in years 3-6 are eligible to apply, however places will be allocated by preference starting from Year 6, followed by Year 5, 4 and then 3. Please note that students' behaviour and/or academic progress may affect their eligibility to attend this camp.

We understand that cost may play an important factor in your decision making and we have endeavoured to keep the cost as low as possible.

**The actual cost of the camp cannot be finalized at this point; however we are expecting to keep the cost around $1000.** This covers travel, entrance onto the mountain, accommodation at Southern Cross Lodge, all meals, equipment hire, ski lift tickets, five ski lessons, five full days of skiing, along with the experience of night skiing under lights.

If you have any questions, please do not hesitate to contact Dan Liu at Sorrento Primary School.

Please return the attached slip by **Monday March 2**nd, if you would like your child to be considered to attend the camp.
